Sheriff James M. Cummings

Mr. John McCarthy
Office Resources, Inc.
374 Congress Street
Boston, MA 02210

Dear John:

Offices Resources recently completed the installation of our new offices for the new Barnstable County Correctional Facility on Cape Cod. This letter is to inform you of how Sheriff James Cummings, along with myself and all of our personnel, are so thrilled with the finished product. It has been nothing but a pleasure to deal with Office Resources, especially Nadim Jamal, Joe Dietch, Chris Norman, Amy Larson and yourself.

After an extensive evaluation of several different manufacturers, Affordable Interior Systems and Kimball National proved to be the right choice before and after completion of this project. The quality of these manufacturers are "second to none".

John, I look forward to referring you and your company to any state agency whom may need your assistance in the future. I look forward to a longstanding relationship with Office Resources.

Again, thank you for such a professional experience.

Sincerely,

Robert E. Dillon
