Date

May 2008

Project

3580 Carmel Mountain Road
Suite 300
San Diego, CA 92130

Scope

50 Workstations
80 Private Offices
All Ancillary Furnishings

This multi-phased project involved all new furnishings complementing the striking landscape of the partner offices, associate offices, support staff and many conference areas. OR met with each end user to tailor this new space into a functional and highly designed environment. The selection of various ancillary pieces enhanced the overall look and feel of the office.
