Lauderdale® Casegoods

Lauderdale packages loads of convenience in a winning transitional style for the private office. Start with a few executive decisions, such as which edge option, and which pull style; in either cinder or platinum. Then top off the superbly finished chassis with a matching hardwood veneer or task-tough laminate top. Flush oval grommets with optional pop ups accommodate electrical accessories smoothly—even those with larger plugs. Specify additional grommets to make cord removal easier and a cable management system to keep wires in their place and out of your way. After all, neatness counts for a lot these days.

A Winning Transitional Style

There's much more here than greets the eye. A hidden worksurface pivots from beneath the single pedestal desk... Voilà! Instant expansion of productive real estate. Or, choose the fin-shaped desk and bring an artistic flair to your work space. The surest way to please is to offer something for everyone.
