The task is at hand.

And so is National, with seating selections that bring style and comfort to every part of your environment. Six distinctively different choices provide the flexibility to meet any demand you may have. And, as you expect, each gives you the assurance of National's reputation for quality, built right into every piece that carries the National name.

Mix-it® N12HHP Model
Sedona Nighthawk

Mix-it® Seating

You suspect that any chair would be more comfortable if you could only fine tune it to your satisfaction. Guess what? Mix-it lets you tune to your heart's content. Choose armless, static arm, or adjustable arm models with wood, urethane or platinum metallic accents. Synchronous control with free float is standard, as is superior command of back tension, back angle, and seat angle. Tweak away.

Fuel™ Seating

Fuel is a high-function contemporary task chair that sets the bar for comfort in its market!*

Generous proportions and thick, contoured foam enhance ease for users of all sizes. Both plastic and upholstered back styles feature a distinctive molded shroud with embossed National logo, a visual reassurance of uncompromising quality. Fuel's mass appeal brings energy to private offices, open-plan areas and training applications. It combines forward thinking with traditional values to fit sophisticated spaces as easily as it does laid-back environments. Fuel...the perfect choice for creative and task-intensive applications.
