

Monroe's Limited Warranty

You have just purchased one of the finest calculators made. The Monroe name has been synonymous with Quality calculators since 1912.

Our goal is for you to be completely satisfied with your new Monroe calculator. If you experience a problem with the quality, workmanship or function of your new Monroe calculator, please call 1-888-666-7631 for immediate assistance.

Your Monroe calculator is covered by a "no-hassle" limited warranty. Many of our customers choose to protect their investment by extending the warranty for one, two or even three years with a Factory Service Center Repair Agreement. If your calculator fails within the warranty period or extended warranty period, we will ship a replacement calculator at no charge within 24 hours. A Factory Service Center Repair Agreement costs less than a new calculator or repairing the failed calculator.

To take advantage of this special Factory Service Center Agreement offer give us a call before the original warranty expires.
