NOVACOPY RECOGNIZED AS A 2007 MUSIC CITY FUTURE 50 WINNER

Award Identifies the 50 Fastest-growing, Privately Held Companies In Middle Tennessee

Nashville, TENN – NovaCopy has been recognized as a 2007 Music City Future 50 company - one of the fastest growing companies in Middle Tennessee by the Nashville Area Chamber of Commerce.

The Music City Future 50 are identified by their past and projected sales and employment growth. To be eligible, companies must be privately owned, headquartered in Middle Tennessee, have 10 or more employees or annual revenue of at least \$500,000, and anticipate revenue and employment growth of 10 percent or more per year for the next three years.

“Future 50 companies are a testament to the ideal business climate in Middle Tennessee,” said Michael Carter, president and CEO of Athena Health Club and Day Spa and vice chairman of small business for the Nashville Area Chamber of Commerce. “The success of these companies reinforces Middle Tennessee’s reputation as a good place to start and grow a business. It’s important that we recognize these companies for the contributions to our community.”

NovaCopy Nashville President, Joe White, said the honor as a Music City Future 50 winner is an important marketplace identifier not only for NovaCopy, but also Nashville and Middle Tennessee as a whole.

“As evident by the amount of construction cranes that are punctuating our skyline, Nashville is growing at a brisk pace,” White said. “NovaCopy’s growth stems from not only new business relocations into Nashville, but from clients seeking meaningful help managing their company documents in a way that fuels their own development.”

“At NovaCopy, a rising tide raises all boats; helping our clients grow has grown NovaCopy beyond our expectations,” White added.
