NOVACOPY TO HOST "MICROSOFT ACROSS AMERICA" TECHNOLOGY SHOW

Microsoft to Feature Latest Technology Including SharePoint and SQL Server Technologies

Nashville, TENN – NovaCopy, Nashville's Microsoft Gold Partner and Best In Business Award winner is hosting the "Microsoft Across America" Technology Show at its national headquarters and Nashville office on Tuesday, August 19 from 11-3 p.m.

The highlight of the show is the Microsoft "Across America" 42 foot touring semi jam-packed with the latest technology Microsoft has to offer. The show will feature Microsoft's SharePoint and SQL Server applications as well as technology for small to medium-sized businesses including HP and Microsoft business-class laptops, thin desktops, IPAQ smart phones, POS system and a Blade server.

"As one of Microsoft's Gold Partners, we combine the latest technology into the document solutions equipment and services we provide our Middle Tennessee customers," said Darren Metz, NovaCopy CEO. "SharePoint Server technology is in high-demand with the downturn in economic spending. Businesses are realizing they can save money with an optimized office workflow."

WHO: Open to the public, IT users, business owners.

WHAT: Microsoft Across America Technology Show, sponsored by Microsoft Gold Partner NovaCopy, featuring the latest technology onboard Microsoft's 42 foot touring semi. And, the Nashville SQL Server Users Group meeting.
