## Eight-Way Radius Design For Any Office

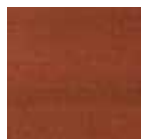

**2200 Series** offers a complete collection of elegant furnishings for all offices. Configurations and individual selections in multiple sizes address a wide variety of office situations.

Long-lasting thermally fused laminates, chemically bonded through heat and pressure, provide years of use. Finished wood rails at each end of the desktop compliment the design.

### Finishes

Windsor Cherry

Mahogany

Medium Oak

Gunstock Walnut

# Storage And Filing

Storage options range from a bookcase with or without doors to an overhead storage unit with doors and 21" clearance for computer monitors. Address extensive filing requirements with three lateral files, lateral file credenza and a storage cabinet with lateral file drawers.

## Additional options

- Full Pedestals
- Center Drawers
- Keyboard Platforms
- Tack Boards
- Task Lights
- Articulating Keyboard Trays

File drawers accommodate front-to-back and side-to-side filing and include pre-installed full-extension slides for complete access.

Reverse coped edges ensure smooth work surface connections on L and U units.

Curvilinear forms soften all corners and edges.

1111

- Pedestals are individually locking for security.
- All drawers feature smooth-action, steel ball-bearing slides precision-tested for high performance.
