Design speaks volumes

Great design translates into all languages and four **Accent** designs speak volumes. Graceful lines and contours are exercised in extra-thick solid wood frames. Choose Rouge Mahogany (M) or Honey Cherry (C), complementing High Point wood veneer casegoods. Generous proportions to accommodate today's guests. Seats have extra-thick 3" cushioning with flexible seat-centers for comfort.

HILEG

HiLeg is the synthesis of high-comfort reception/ lounge seating and wood-leg chair designs. Fully upholstered seats, backs and arms feature scale and materials for generous comfort. Choose from four distinct designs. Each includes chair, chair with casters, two-seat and three-seat models. All rest on a solid hardwood leg base available in any finish, standard or custom.

Built as modular components, arms are upholstered separate from seat/back, allowing two-fabric combinations.

CLAUDIA

We believe that a seat can, and should, combine both form and function. For **Claudia**, we put special emphasis on the form. Take a seat and your arms will naturally fall into the gently undulating contour of the

fully upholstered arms. Brightly polished aluminum legs add just the right amount of sparkle and visual interest. The cushions are plush and supportive so that waiting goes from a "chore" to a "pleasure."

Excellent for public areas, lobbies and more, original **Accompany** design provides private space for every individual. Generous armrests invite users to sit side-by-side. High-density cushioning and no-sag sinuous wire seats and backs ensure posture-correct, upright support. Choose wood finish or aluminum/chrome finish metal legs (all include levelers) and coordinating occasional tables. All upholstery covers feature double-needle tailoring, commonly known as baseball stitching.

Malibu occasional tables provide an excellent complement to Accompany lounge and unique accents in a wide range of environments. Bases are built with tapered steel legs welded to tubular steel stretchers with a brushed aluminum powder coat finish. Glass tops with beveled edge rest on non-skid standoffs.

ACCOMPANY WOOD

For compact environments, **Accompany** loveseats and sofas are available without center arms and the club chair is available armless. Again, choose wood finish or aluminum/chrome finish metal legs with levelers. Accompany's curvilinear design and substantial visual scale blend to complement contemporary areas. Optional fabric combinations provide even more options for innovative interior designs.

Select **Modular Accompany** for design flexibility and future reconfigurability. Separate components allow you to configure pieces beyond three seats. Modular units can be added or deleted from a configuration, providing a sensible approach to the constant changes of today's businesses.

Future flexibility

A smart business decision, modular lounge furnishings can be configured for optimal space-efficiency today and expanded and reconfigured in the future. Seats and backs are field replaceable for further renewability. **Steps** offers straight, corner and wedge seats to maximize seating

capacity. Choose upholstered or black base and optional upholstered arms. **7400 Series** seating and table components feature a two-tier base with high-pressure laminate and black, recessed plinth. Custom base colors available.
