Timeless Modern Design

Function and aesthetics. A close inspection of **Sensation** reveals clean and contemporary crown molding detail with oval pulls. Three-ply radial cut veneer is painstakingly finished in your choice of a warm Honey Cherry or a rich Rouge Mahogany finish. Extra open pedestal in connecting corners of single pedestal desks and credenzas features one grommet in the inside panel for CPU storage applications. You have a choice of the 4-door overhead unit (in aluminum/frosted, wood or a combination of wood and aluminum/frosted doors) or the TriCabinet hutch with aluminum/frosted center doors and wood tower doors. The TriCabinet hutch also offers the option of an open or closed back. Optional locking and upgraded filing system available.

Timeless design

The **Westboro** collection is a transitional design equally at home in traditional or more contemporary settings. Three-ply radial cut veneer is painstakingly finished in your choice of a warm Honey Cherry or a rich Rouge Mahogany finish. These striking finishes are further enhanced by flaired top and base molding that adds architectural interest to the entire collection. Extra open pedestal in connecting corners of single pedestal desks and credenzas features one grommet in the inside panel for CPU storage applications. You can customize the look of your office through your choice of either the sleek wooden door overhead unit or the new TriCabinet hutch with etched glass doors, glass shelves and curio accent lights. The TriCabinet hutch also offers the option of an open or closed back to suit your specific application. For a lighter touch you might consider the elegant table desk which offers classic lines with modern day convenience.

Time-honored traditional design

Inverness brings the warmth and beauty of wood to office environments. All surfaces feature select hardwood veneer, presenting the natural characteristics of wood and making each furniture piece unique. No two desks are exactly alike. Common grain direction across desks, returns, bridges and credenzas increases aesthetics. Reverse-coped edges on bridges and returns create smooth worksurface connections. Balanced-panel, three-ply construction is standard. Choose Rouge Mahogany or Honey Cherry satin finish with catalyzed lacquer topcoat. Crown décor, light rail and decorative base trim are standard. Optional locking available.
