Slope Arm & Camelback

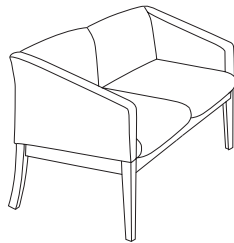

HiLeg is the synthesis of high-comfort reception/lounge seating and wood-leg chair designs. Fully upholstered seats, backs and arms feature scale and materials for generous comfort. Choose from four distinct designs. Each includes chair, chair with casters, two-seat and three-seat models. All rest on a solid hardwood leg base available in any finish, standard or custom. Built as modular components, arms are upholstered separate from seat/back, allowing two-fabric combinations.
