## Three winning designs

**Trifecta** presents executive-level style and comfort in three distinct appearances: fully upholstered with wood base, wood arms with wood base or black urethane arms with nylon base. Available in thousands of fabrics and twelve wood finishes. Pronounced backrest and lumbar support enhance comfort. Seats feature thick, multi-density foam and seat suspensions that conform to the individual. Waterfall front seat edges provide proper leg support. Standard 360° swivel-tilt with tilt tension adjustment and pneumatic lift. Optional knee tilt control increases comfort. These chairs are available in our Quick Ship program in 60+ fabrics. All chairs include limited lifetime warranty.
