

Just Two...

provide enough germ-killing, self-lathering foam soap to wash your hands up to 340 times!

Soaplets™ Antibacterial Foaming Hand Soap Tablets.

Just add water!

Two Soaplets tablets make 17 oz. (500 ml) of anti-bacterial foaming hand soap. Simply drop the tablets in water, and Soaplets effervesce in minutes... creating a pleasant yet powerful germ-fighting soap.

Big Impact. Minimal space required.

Soaplets small tablets store just about anywhere. No need to store or ship big, heavy bottles of soap. Mix only the amount of soap you need, when you need it.

Self-lathering for quick hand washing.

Soaplets comes out of the dispenser in a rich, lemon-scented foam—ready to use—with less spill and mess. Simply apply it to dry hands, then wash and rinse. It removes dirt and oils easily and effectively.

Easy on your hands, tough on germs.

Soaplets contains natural jojoba oil to moisturize your skin but won't affect the integrity of gloves. It's 5.6% benzethonium chloride formulation is incredibly effective against multiple microorganisms.

Soaplets protects against...

- Staph
- Salmonella
- Pseudomonas
- E. coli and more
