

Revitalize, rejuvenate and reinvigorate dry, chapped hands!

Glove Relief® Moisturizing Hand Cream

An exclusive formula designed for the healthcare professional

Your hands take a beating every day from constant hand washing and the use of latex gloves! Now, revitalize your hands and keep your skin healthy with Glove Relief—the perfect remedy for dry, chapped hands.

Fragrance FREE – Glove Relief moisturizes and soothes your skin without the perfume smell.

Safe for latex gloves

Glove Relief will not compromise the integrity of latex gloves. Plus, the mineral oil and dimethicone formula softens your skin... allowing gloves to slip on and off with ease.

Absorbs into your skin quickly

Glove Relief penetrates deep into skin, with no oily residue. Your hands will feel better almost instantly.

Powerful ingredients

Made with aloe vera and vitamin E to promote healing and healthy skin growth.
