Dear Matt and Martin:

Once again Copynet has come through to provide support for our fundraising events. Your \$600.00 sponsorship was much appreciated.

Bobby Sox Bowling was a tremendous success from Pat Evans arriving on the Harley to Elvis's presence. Everyone is still talking about what a fun evening it was and I know your company team had a great time too. Next year you will both have to come and bring your families.

You have always supported the agency in numerous ways and I appreciate you more than you know. I look forward to seeing you soon.

Sincerely,

Jackie Hall
